PROPERTY OWNERS WILL BE NOTIFIED

IN REGARD TO ASSESSING LOTS FOR STREET PAVING MONEY.

LETTER APPROVED

Was Submitted at Council Meeting Yesterday Afternoon-- Due August 2nd.

Yesterday afternoon at the meeting of city council a form of the letter which will be sent to those whose property is to be assessed for the street paving was read and approved.

In the letter the number of lots and the streets on which they are located are noted and the amount which will be due on each.

The remainder of the letter is as follows and is self explanatory:

"The whole of these assessments will be due and payable on or before August 2nd, 1915. But you have the privilege of paying the same in ten equal installments, with interest on the deferred installments at six per cent per annum payable semi-annually, as provided in the ordinances of the city, provided you make written application for this privilege, and pay the first instalment, to-wit, one tenth on or before August 2nd, 1915. If you desire to make payment in ten equal installments, you should sign the enclosed application therefor, and file the same with the city clerk in accordance with the ordinance of the city, and also pay to him the first instalment on or before August 2nd, 1915. Unless you sign and file this application and pay the first instalment on or before August 2nd, 1915, you will lose the privilege of paying in installments and will have to pay the whole amount at one time.

"Respectfully, E. M. Scott, City Clerk and Treasurer."

The city attorney called yesterday afternoon that the postal addresses of some of these property owners were rather vague and if these did not receive notice, it would be wise for them to call at the city clerk's office and get to matter straightened out.

Diarrhoea Quickly Cured. "About two years ago I had a severe attack of diarrhoea which lasted for over a week," writes W. C. Jones, Buffalo, N. D. "I became so weak that I could not stand upright. A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. My first dose relieved me and within two days I was as well as ever." Obtainable everywhere.
